

The goals and tasks of the Ambassador Program is to create a professional team of influencers and community managers for long-term development of the ZENEX project.

“Pre Ambassador” rank

To join the ambassador program, you need to **be active on social networks, have a base of subscribers and publish content.**

At the **Pre Ambassador's level**, you need to **regularly perform a set of simple tasks, be active on social networks and to expand the online presence of the ZENEX project.**

Since the **Pre Ambassador level** can be **obtained** by any active **social network** user with a **subscriber base**, the **reward** for the task completion by the **Pre Ambassador** will be **quite different from the Ambassador's**.

“Ambassador” rank

To level up to the Ambassador status you need to demonstrate the following **skills** and perform the mentioned tasks:

- Connect new users to the Bitexprou.eu platform via referral link
- Regular publications in at least three of your social networks (Twitter, Instagram, Telegram, Facebook, Discord, YouTube, Tik Tok)
- Creation of video content about ZENEX (including Lifestyle videos)
- Writing comments under posts and video postings at official ZENEX social networks
- Active participation in telegram and discord ZENEX chat rooms
- Using humor, animation, life frames, shared photos and videos with the participation of the author's community is welcomed
- Expression of creativity
- Encourage active communication with members of the ZENEX team for the development and application of non-standard and new scenarios in the ZENEX promotion model
- Actively work with your community to promote ZENEX
- Create your own (local) chat rooms and ZENEX groups for your community
- Hosting AMA sessions, inviting members of communities to official AMA sessions and chat rooms of ZENEX

When a member levels up from a status of Pre Ambassador to the status of Ambassador, **points** received by the participant **are multiplied by the ratio of 1.5**.
